	Promoting equity amidst intersecting social, commercial and digital determinants of online dating	Mrs Kristen Foley

The Abortion Project: Peer Support in Melbourne's North

Mx Heti Mackallah  
Lily McAuliffe

**Workshop 7 - Using systems thinking to co-design a capability-building strategy for the Australian prevention community**

Room TBA

**Hosted by:** The Australian Prevention Partnership Centre and Deakin University

**Facilitated by:** Dr Mishel Shahid - The Australian Prevention Partnership Centre

**Co-Presenters:**

- Ms Nadia Masterson, Head Prevention - The Australian Prevention Partnership Centre. A Centre of the Sax Institute
- Professor Steven Allender, Professor of Population Health - Deakin University

10:30am –  
11:00am

**Morning Tea & Exhibition**

**Atrium & Gallery**

**Time**

11:00am – 12:30pm

**Concurrent Session 3**

**Session Name & Room**

**Presentation Title**

**Speakers**

**3A - Healthy eating 2**

Room TBA

Australian supermarket pricing and promotion practices and the implications for public health

Dr Claire Pulker

Delivering health, social and environmental outcomes through government food procurement

Ms Jane Potter

Policy opportunities: understanding social and structural influences on fruit and vegetable use

Ms Ellen Wynn

Insta-family meals: Exploring representations of #familymeals on Instagram

Dr Georgia Middleton

More comprehensive nutrition policies are associated with better adolescent dietary outcomes

Dr Anna Nicholson

Online food delivery trends and choice drivers: A mixed methods study

Dr. Adyya Gupta

Local government perspectives on restricting unhealthy food advertising: A qualitative study

Ms Frith Klug

**3B - Tobacco & e-cigarettes 2**

Room TBA

Evaluating Quit Victoria's Anti-Vaping School Resource: Preliminary findings from Health Promotion workforces

Ms Shinae Tobin-Salzman

E-cigarette and tobacco use over a decade: 2014-2023

Dr Jo Dono

Is there a fox in the hen house? E-cigarettes in pharmaceutical dispensation

Dr Laura Thomas

Whole of community approach to address adolescent e-cigarette use

Miss Catriona Lockett

How can parents and teachers be supported to respond to adolescent vaping?

Dr Laura Thomas

Understanding Australian Adults who Support Others in Quitting Smoking and/or Vaping

Ms Sydnei Yang

Estimating future cancer burden from the e-cigarette gateway effect in Australian adolescents

Dr Renee Carey

**3C - Alcohol and other drugs**

Room TBA

A theory-based classification of consumer responses to zero alcohol products

Professor Simone Pettigrew

Alcohol – Who determines what's on the label?

Ms Clare Slattery

Constrained by Criminalisation: Political Barriers to Effective Illicit Drug Health Policy

Nicky Bath

	Building Capacity and Evaluating Evidence-Based AOD Prevention: Key Learnings from LDAT	Mr Craig Martin Dr Erin Lalor
	When Every Moment Matters – A strength-based health promotion campaign	Miss Pearl Prabal
	Community complaints and alcohol company responses about protecting children from alcohol marketing	Ms Jane Martin
	Stores Licensing Scheme in remote Indigenous communities of the Northern Territory, Australia	Miss Sophie Howes Professor Julie Brimblecombe
<b>3D - Priority populations</b> Room TBA	Giving ourselves the best chance to reduce regional cancer inequity.	Mr Hussam Al-Hakimi
	Language matters – increasing access to quit smoking support.	Dr Natalia Lizama
	Health Literacy opportunities for older people leaving prisons	Ms Mirei Ballinger
	Experiences of inclusion and accessibility of recreation centres among the LGBTQIA+ community	Ms Elise Rivera
	Delivering the 10 Year National Action Plan for LGBTQIA+ Health and Wellbeing	Mr James Zanotto
	The impact of dose in a mHealth intervention to support child health	Dr Alison Brown
	Investing in Mareeba primary health to lead the community in preventive health	Ms Margaret Deerain
